**ADMINISTRATIVE HISTORY**

**PROCESSING PROCEDURES**

General processing procedures consisted of discarding duplicates, unnecessary binders, and routine transmittals. If records contained oversized documents and photographs, they were removed from the original location in their assigned series and placed in separate containers. Separation sheets would then be inserted in the original location within the folder to indicate the new location of any records placed elsewhere.

**PROVENANCE**

See accessions 2000-13; 2003-02

**SCOPE AND CONTENT NOTE**

The Charter Review Commission papers include annual reports, legislative histories, and a 1978 and 1988 amended copy of the Charter.
