MONTGOMERY COUNTY HISTORICAL SOCIETY

## Sign Up Today to be a Judge History Day is March 2, 2019

National History Day is a fantastic opportunity for students in middle and high school to learn about history while practicing their research and critical thinking skills. Students perform in-depth research on a historical topic, create a presentation in one of five formats (paper, exhibit, documentary, performance, or website), and receive feedback from judges that helps them learn and improve.

### **We are looking for judges for History Day!**

Each year, we partner with Montgomery County Public Schools for the County's National History Day competition. Breakfast and lunch will be provided to judges. Categories to be judged include websites, documentaries, performances, exhibits, papers, and more. Help the next generation of history lovers!

## Deadline To Sign Up is February 15!
