## 2020 HISTORY CONFERENCE

"It's amazing to see hundreds of people so invested in MoCo's past and future."

- Anonymous

## ONLINE PROGRAMS

"During this strange time, when my husband and I are almost totally at home, with no end in sight, we are thoroughly enjoying the various *History Conversations* and webinars...I hope this general idea will not end once the rest of the county opens up."

- JoAnn T.

## PUBLICATIONS

"Sarah Hedlund did a terrific job on the George Peck and John Diggs/Dorsey stories in the summer 2020 *Montgomery County Story*. So powerful! As a lifelong resident of Montgomery County, I am disturbed that this could happen in my County, but it is a piece of our history that we should all be aware of."

- John M.
