From the evidence we have had before
us we believe that Sidney Randolph
was the person who on the 25 day of May 1896.
in the town of Gaithersburg, committed
the fiendish assault on the Buxton
family, which resulted later in the
death of Sadie Buxton.

While we believe that Sidney
Randolph had an accomplish we have
failed to find any evidence to connect
others with him.

We have thoroughly investigated
the lynching of Sidney Randolph
and have failed to find evidence

to implicate any one in the crime.

Our Sheriff having been censured in regard to the lynching of Sidney Randolph we wish to express our regrets for such injustice and fully exhonorate both him and his jailor from all accusations or blame in the matter. The Grand Jury would respectfully call attention to the very indifferent accommodations provided for persons who are summoned to testify before them, who are in many cases elderly persons, children and ladies who have no place to wait except in the corridors of the court house. We recommend that a suitable room be provided.
